Notes:

This is not an official Transcript. The grades and marks shown on this document are provided for the personal information of the candidate.

The classification for each candidate is determined not only on the basis of the grades or marks awarded to the candidate in the individual elements of the examination, but also on the assessment by the examiners of the overall performance of the candidate.

Various factors may be taken into account in arriving at the final result, such as the distribution of the marks awarded to the candidate over the various elements, the strength or weakness shown in certain elements in relation to that in other elements, and any special difficulties known to have been experienced by the candidate at the time of the examination (e.g. illness).
