

To Whom It May Concern

This is to certify that Zainab has successfully completed her internship at HomoDeus LLP from Jun 17, 2025, to August 30, 2025.

During her internship, Zainab demonstrated great enthusiasm, commitment, and the ability to learn and apply new concepts effectively. She actively worked on and gained hands-on experience with Python Scripting, LLM and Vector Embedding, HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, React.js, and Next.js.

For her final project, Zainab developed a personal portfolio website featuring a blog section. This project showcased her skills in front-end and back-end development, utilizing the technologies she mastered during her internship.

We appreciate her dedication and wish her the very best in her future endeavors.
